Home School Agreement

We hope that parents and carers will try to:-

- Keep staff at school informed of anything that may affect their child's work or behaviour.
- Use the home-school diary system to assist in 2-way communication.
- Work in partnership with the school to understand the children's educational life and support their learning.
- Attend parents' meetings and reviews as far as possible.
- Get involved with the life of the school and support school activities and events.
- Ensure pupils have all the necessary equipment (eg. school books, clothing, mobility aids) for school and that all property is named.
- Feel happy to discuss any worries or concerns with school.
- Support school policies and guidelines.
- Ensure children are kept at home if they are not fit enough to benefit from the school day and inform the school about reasons for absence.

As a school we will:-

- Keep you informed of your child's progress, any difficulties and relevant issues.
- Use the home-school diary regularly to assist in 2-way communication.
- Care for your child's safety and happiness.
- Listen to children.
- Provide a balanced curriculum and meet the individual needs of your child, liaising with external agencies if appropriate.
- Keep pupils' named property safe as far as is reasonably possible.
- Be available to discuss concerns or worries and to support parents, families and carers.
- Keep parents and carers informed about the life of the school.
