Hydro Pool Update

The project has unfortunately encountered some issues and challenges along the way, which has meant that the work had come to a halt. However, the project manager has been working very hard behind the scenes to ensure things start moving again quickly and we shall keep you updated once we have some more news for you.

Signs of the Week

It's the school ball this week!

Some of our children and staff have just returned from a lovely residential trip to Portugal, the accommodation is adapted for special needs children. Should you require any advice, please let us know <https://www.booking.com/hotel/pt/centre-algarve.en-gb.html>

PARENT/CARER DROP OFF/PICK UP

Please **DO NOT** use our staff car park when dropping off and picking up your children from school.

Our staff need to attend a variety of meetings and need to be able to leave our school site. (This week they have not been able to as parents/carers have parked in front of their cars). We do understand that parking in front of our school is a problem, but ask you to be patient.

Thank you for your co-operation.

The Harwich Festival is running its annual arts festival in June. As part of this we are lucky to have Concert pianist Noriko Ogawa performing for us. As well as her main concert Noriko is giving a relaxed performance specifically designed for those who are not able to normally go to concerts, such as parents of children with autism or some disability. These performances have been developed by Noriko as a result of her own experience of living with a family of a child with severe autism when she first came to the UK.

The concert is free and will take place at St Nicholas Church Harwich on Friday 21st June at 11am. Further information is available on the Harwich Festival website www.harwichfestival.co.uk
