Breakfast program

Our breakfast program is still running and we currently have some (cereal) bitesize shredded wheat looking for a new home... if you would like some to go home with your child, then please let us know

SPLASH EVENTS

Louise has been keeping herself busy and running lots of online raffles via the Shorefields facebook page, thank you Louise for your continued effort and to everyone for supporting SPLASH.

Beach Hut Use—our beach hut is currently undergoing a 'spruce up' in the hope of being ready for use at the start of the summer holidays. Our terms & conditions of use will be updated to incorporate the current Covid19 restriction guidelines. Below is a statement issued by the local-Council regarding the use of beach huts for your information. We will keep you updated should there be any changes to the current guidance.

Following the revised Government guidance, the Council has been considering the use of Beach Huts across the District, after they received a significant number of enquiries from associations and local people. After they consulted with Essex Police, as long as users are conforming to social distancing guidelines, they will not be subject to any enforcement. With that in mind, the following guidance will be issued to Beach Hut Associations and those requesting information:

If you are considering using beach huts following the Government guidance issued on 11 May in relation to Covid-19, you must ensure the following points are adhered to:

- Any use of beach huts must comply with social distancing rules and Government guidance to only mix with those from your own household – or one member of another household;
- A minimum of a two-metre distance between you and other beach hut owners and/or seafront users must be maintained at all times;
- Promenades and pathways must not be obstructed with seating or equipment and a minimum of a 2m clearance must be maintained with other seafront users;

Please note that our policies can be found on our school website.
