

# Shorefields Parent Newsletter

28th January January 2022

<https://www.shorefields.essex.sch.uk>

A quick reminder to all secondary aged students, please remember to continue with the twice weekly lateral flow testing. If you require any more testing kits, please let us know.

Also should any primary aged children/families wish to have some testing kits, they are available, please pop a note in the home school book if you would like some.

## Dates for the diary

Half term—14th—18th Feb

Parents - If you are attending any medical appointments in school eg, Physio, medicals, OT, would you please arrange to take a lateral flow test before coming in to school. Thank you.

We regret to inform you that we have been advised by Essex County Council to close our hydro pool whilst further investigations are carried out, following the discovery of a leak on return from the Christmas holidays. We are currently trying to source community provision for some pupils with hydro stated on their EHCP. We will update when we have further information- our deepest apologies.

We have a vacancy for a parent governor on our school Governing Body. If any parent, carer or grandparent is interested in becoming a governor, please do get in touch with the school office for further information.

## Good news stories

We would like to welcome Cigdem (pronounced Chidem or Chi for short!) to Shorefields, she will be in the main school office with Lynda and Tina.

Our new cleaner David is starting on Monday.

Pier 2— got a wave and a smile from a student during our virtual story!

Beach 2 made marshmallow rice crispy cakes this week and all enjoyed stirring the mixture!

Sunshine 5 have been enjoying learning how to make electrical circuits. A couple of our students even asked to do a magic show before home time which everyone really enjoyed

Sunshine 3 had an amazing day out at Highwoods Country Park yesterday!

Beach 1—A child used the new bikes in the playground. He let me put a cycle helmet on him. He also used the pedals independently for a few turns.

Pier 3 completed a new activity together making marble planets with marbling paints. All the children produced wonderful patterns from their choice of colours.

Pier 1 A student is exploring independently , things like flour, salt when making Salt dough to make stars, rockets and moons, another child really enjoyed scratching the salt on a tray.

One student from Sunshine 6 helped another in PE to find the pictures of space in the hall.

Beach 2 have asked if anyone has any toy cars they would be please to have some!

Please consider sending pupils in an extra layer (or put an extra jumper/cardigan in their bag) as we have windows open in all classes.

### Performing Arts

Different days , great concentration and smiles

**Frozen Light Spring Tour at New Woolsey Theatre**

SHOWING FROM THU 17 — SAT 19 FEB

The year is 2065; the people are stifled under an oppressive regime made up of all-powerful corporations. We follow a group of rebels who live outside the system and believe things can change for the better. How can they remind people of a time when things were different? When they hoped not only to survive but to thrive? Can they bring music back to a city where it is needed more than ever?

2065 is a futuristic sensory extravaganza for audiences with profound and multiple learning disabilities. Frozen Light are specialists in making sensory theatre for adult audiences with PMLD and this is their fifth touring production.

Shorefields School PTA And Events added an event.
