Two students in Beach 4 have both used a communication app on the iPad yesterday for the first time, one student was able to request her lunch and the playground independently and the other independently requested help 5 times when working in the flat.

Pier 4 enjoyed their first session at Inclusive Dance Sports For Confidence and one pupil continues to enjoy trying Willow Park.

Sunshine 3—one pupil is now drinking from a bottle with a straw rather than a training cup!

*Dear Parents and Carers,*

*The Local Authority have received notification that the SEND Local Area revisit will take place between Tuesday 17 May 2022 and Thursday 19 May 2022.*

*The letter attached, from the inspection team, explains the revisit and how you can share your views as a parent and/or carer. There are several ways to share your views – through an online survey, by email or via the Essex Family Forum.*

*The letter also mentions opportunities for children, young people and their parents and carers to speak to the Ofsted and CQC inspectors. As soon as we have more details about these sessions, we will share them on the Local Offer, through the Local Offer social media and through all the support groups for SEND families.*

*The reinspection will only focus on the areas that were identified in the local area inspection in 2019. If you want to read more about the inspection findings from 2019 and the areas that the Local Area have been working towards, please look on the [Essex Local Offer](#).*
