training days.**

September

We have made our provisional plan for returning in September. Most of our pupils will be returning and completing 4 days per week from Tuesday 8th September.

From the week beginning Monday 28th September most of the pupils will return full time – 5 days per week.

You will notice from the dates above that we have 3 Fridays where staff have Keep in Touch, PPA (for teachers) and medical training days. These days are essential because some of our pupils will not be able to return to school just yet, therefore, we need to be able to offer a virtual curriculum which the teachers will need time for. The medical training is to ensure our class teams are all adequately trained, as we are not able to cover in the manner which we normally do.

Our school day will be staggered –

Bus Pupils – 9.10am – 2.50pm

Drop off pupils – 9.20am – 3pm

Our full September opening plan will be shared with you once finalised – we are awaiting some definitive medical answers from our colleagues in Health.

Brilliant news – Isabelle has won the Panathlon Outstanding Achievement award for her participation in the Swimming event this year. We are very proud of you Isabelle – very well done.

We would like to wish all of our families a lovely summer holidays.
