## **Morrisons It's good to grow <https://itsgoodtogrow.co.uk/>**

Morrisons understand that the more kids know about how food is grown and made, the better they'll eat, now and in the future.

It's Good to Grow is a token collection scheme that allows schools to collect for free gardening equipment to get kids outdoors and growing.

Between 6th September and 24th October 2021 for every £10 spent in store or online at Morrisons, customers will automatically receive one Grow Token to donate to your chosen school.

You'll need to be a MyMorrisons customer to take part so make sure you download the app and select Shorefields to donate your Grow Tokens to.

Finally, don't forget to scan your app or MyMorrisons card at checkout every time you shop to receive your Grow Tokens. Once you've selected Shorefields, you'll be able to donate your Grow Tokens.

From 24th October, we will be able to redeem the Grow Tokens you have all collected against a range of growing and gardening equipment for school.
