We regret to inform you that we have been advised by Essex County Council to close our hydro pool whilst further investigations are carried out, following the discovery of a leak on return from the Christmas holidays. We are currently trying to source community provision for some pupils with hydro stated on their EHCP. We will update when we have further information- our deepest apologies.

## **Sunshine 1/3/4/5 & Beach 1 Swimming Lessons Cancellation**

Unfortunately, Valley Farm have informed us that they have been unable to resolve their technical fault in time for next week's swimming lessons. So, swimming lessons planned for 19/1 and 21/1 will again be cancelled. They have assured us that they aim to resume lessons the following week.

## **Good news stories**

Pier 1, One of our pupils has been in 3 days this week, after some time off school, another pupil has used her Standing Frame every day, another pupil some kneeling, a pupil has really engaged in the story exploring props independently, another pupil loved splatter painting and giggled. Some lovely manners have also been heard - saying Please and thank you. Great work from all in Pier 1.

Beach 1 went to Asda last week. They were all super. One pupil walked all the way holding hands, pushed the trolley, helped collect and pay for the items.

Beach 2 all had a turn of cake splat during attention bucket this week 😊

Beach 4 all went to Asda to do the shopping ready for cooking. They made cheese straws!

Sunshine 8 have been going out on the public bus to Pier Avenue.

Beach 1 all enjoyed making milkshakes this week they loved using the whisk

One pupil in Pier 4 went swimming off site, and one pupil has been requesting the toilet.

## Frozen Light Spring Tour at New Woolsey Theatre

SHOWING FROM THU 17 — SAT 19 FEB

The year is 2065; the people are stifled under an oppressive regime made up of all-powerful corporations. We follow a group of rebels who live outside the system and believe things can change for the better. How can they remind people of a time when things were different? When they hoped not only to survive but to thrive? Can they bring music back to a city where it is needed more than ever?

2065 is a futuristic sensory extravaganza for audiences with profound and multiple learning disabilities. Frozen Light are specialists in making sensory theatre for adult audiences with PMLD and this is their fifth touring production.

Are running a DLA clinic on January 27<sup>th</sup> 10am until 12.30pm via zoom. This will be occurring regularly, if you are interested please complete the normal contact form on our website and the helpline will notify you of upcoming dates.

This will be a group session talking through the form step by step with guidance on wording. If anyone might struggle in a group session 1-1 support can still be offered by one of the team.
