We are really looking forward to spending the day in the playground, The students will be having lunch outside if they wish and they will enjoy entertainment and entertaining each other. It has been a long time coming and as a school we can look forward to celebrating together. Sadly we do not have the capacity to invite anyone so it will just be the staff and students of Shorefields but we are sure they will have a good time

Accommodation and food

Accommodation is mostly under canvas, with some beds in cabins for those who find it impossible to sleep in a tent. Meals are provided by our catering staff and are included in the price. Snacks and drinks are also available and a bar is open during the entertainment each evening.

Accessibility and support

The whole site is on one level and all facilities are wheelchair accessible. First Aid cover is provided. Our team of volunteers are on hand to make sure that everyone can have a fun and great experience, whatever their ability. Unfortunately they are not able to provide individual support and those who receive regular assistance should come along with a friend, supporter or as part of a group.

Please contact us to discuss any individual needs to make sure you get the most from your stay.
