📌 History

📍 Colchester Castle

👥 Suitable for Families

About This Event

3 – 5pm

Join us on the first Sunday of the month for a little calm at Colchester Castle.

These sessions are suitable for visitors with ASD, providing an opportunity for them to explore the museum at a quieter time. We aim to minimise sensory stimulation on the galleries by turning off audio and visuals, whilst providing a sensory space off the main gallery.

Ear defenders, visual guides and twiddlemuffs are available from the Museum's reception free of charge.

Tickets

This event is included as part of Castle admission.

How To Book

Booking not required – just buy your ticket to the Castle when you arrive.
