A message from the Governors!

All School Governors had the pleasure of attending Governors Day this week at Shorefields. This was a wonderful opportunity to engage with students and staff during the school day.

We enjoyed a spectacular sensory story with a class in Pier Strand and were able to liaise with Lead staff members in Communication, Maths, Reading and Physical Development. During our Learning Walk around school, students demonstrated some fantastic work in these areas.

Thank you to all students and staff for the very warm welcome we received and the incredible work we were privileged to see!
