Hydrotherapy pool update:

Planning has now been submitted to Essex County Council and we are anticipating work will begin during February half term holiday. We are having a plant room built and the entire pool refurbished. We are hopeful that it will be completed at some point in the summer term.

Safer Internet Day 2019 will be celebrated globally on Tuesday 5th February with the slogan: 'Together for a better Internet'.

Coordinated in the UK by the [UK Safer Internet Centre](http://www.saferinternet.org) the celebration sees hundreds of organisations get involved and join a national conversation about using technology responsibly, respectfully, critically and creatively.

The day offers the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together and help to create a better internet.

Di Spurling will be running a beginners Makaton course for 4 weeks, starting Monday 11 Feb to Monday 11 March, 9.30am to 12. The cost will be £40 total - £30 for the Makaton course books which you will keep (if a couple you can share a book) and £10 each for refreshments. If anyone is interested please book a place by 25 Jan, you can pay on line via School Gateway once your place is confirmed.

Do you receive Special Educational Needs (SEN) support for a special educational need or disability?

Do you have an Education Health and Care Plan (EHCP)?

Are you a parent, carer or practitioner with children or young people who have an EHCP or SEN support?

If the answer is YES, we'd love to hear your thoughts through the POET survey!

- POET is your opportunity to share your experiences of SEN and EHCP support and give your views on what is working and what isn't working.
- It takes just 10 minutes to complete and can be completed once every year.
- Your responses go directly to 'In Control', the charity which developed POET with funding from the Department for Education. Essex County Council will not see your survey.
- In Control send us feedback and we use this to improve our services in Essex, based on what matters to you.
